

Dear Parent

We hope that you have been able to see a small sample of what we do here on a daily basis, even though most of our children weren't here.

Please take time to read the school prospectus and to look at the school website or Facebook page to provide you with more information.

We believe that every child is different and that all children have the right to be safe, happy and to learn to the best of their ability.

If you would like to talk to me about your child 'away from the busyness' of our Open Day, please ring the school office or send me an email and we can arrange a meeting.

We have childcare from 8am to 4pm and work alongside many child minders and after school clubs to be as flexible and accommodating as possible.

This year, the process to apply for a P1 place in every primary school is online:

A portal for parents to apply online for a place has been created and it will include the listing of preferences of schools.

Parents will have the opportunity to amend their submitted application until the closing date.

For admission to next academic year (2024 – 2025), parents will provide their child's birth certificate and any other verifying documents stipulated in admission criteria via the online portal. However, if this is a problem, feel free to leave any documents into the school office.

The 'Go Live' date for the digital admissions is **Tuesday 9th January 2024 at 12 noon**. The closing time and date for punctual applications will be **12.00 noon on Friday 26th January 2024**.

All schools will then apply their criteria i.e. it is not on a 'first come, first served' basis or on a 'first choice' basis.
