To whom it may concern:

As part of our Christmas Extravaganza fundraising event on December 15th we are having two competitions.

For the children we are having a recycling competition. We are asking that children make a Christmas angel using recycled materials. This is a free competition (no entrance fee) and there will be two categories, up to top infants and up to top juniors. There are great prizes for both groups

The other is a Christmas Cake decorating competition with either a Christmas theme or a winter theme. The cakes will not be tasted so the owners can take them home.

For this the fee is £5 but the prize is a £50 gift token from Hastings Hotels.

Please make both these competitions as widely known as possible.

The Christmas Extravaganza will be held in the Market Yard Dec. 15th from 11 to 3pm. The winners of both competitions will be announced at 2pm.

Many thanks

Beverly Howe (Secretary)
